UC MASTER GARDENERS OF PLACER COUNTY

# 30TH ANNUAL MOTHER'S DAY GARDEN TOUR

---

SUNDAY, MAY 10, 10:00 AM TO 4:00 PM, RAIN OR SHINE

7 COLORFUL GARDENS IN ROCKLIN AND GRANITE BAY

TICKETS: \$20.00, CHILDREN UNDER 12 FREE

## **Two Neighbors Gardens**

Two next door neighbors decided to tear out their lawns and create low-water landscapes. The front yards are a shared design using ground covers, color, and accent plants that bring great curb appeal. Each of the backyards is a reflection of the individual homeowner's style, with one being simple yet elegant and the other more cottage garden with whimsical touches.

## **The Fun and Food Garden**

If you thought you didn't have enough room to grow fruits and vegetables along with flowers in your yard.....think again! This garden is an energetic mix of traditional and experimental. The phrase of the day will be "I never thought of doing that." Get new ideas from unique and fun ways to plant food and flowers.

## **The Unexpected Garden**

Formal yet fanciful makes for a great entrance. Unexpectedly, the backyard transitions to a multi-level paradise of restful sitting areas snuggled between the native trees and water-wise foliage with well-placed containers of color accented by the sounds of babbling water to complete this urban oasis.

## **The International Garden**

Enjoy reinterpreted garden styles from travelling adventures. Mediterranean flair abounds in this huge garden showcased with the colors and enchantment of Mexico. Steps and pathways lead to fountains, entertaining areas, a rose garden, art pieces, and many other compelling features, even a room of hearts.

## **The Woodland Garden**

Native oaks allow dappled sunlight into this relaxed and natural looking garden making it a perfect home for Japanese maples, azaleas, hydrangeas, and many other shade loving plants. Meander to various bright sunny spots and discover fruit trees, berries, and year-round vegetable beds,

## **The Zen Garden**

An Asia influence of serenity and meditation is an obvious part of this garden's design. The harmony of the various plant textures and colors balance beautifully with the natural elements of stone, wood, and water. Pathways highlighted with annuals flow toward a hidden sitting area among the trees in this peaceful retreat.
